

how-to  
TUESDAY

record a series on  
your PVR - CableTV

1. Select the *guide* button on your remote.
2. Select the title you would like to record.
3. Select *info* on your remote, while on the title you'd like to record.
4. Select *record* on the bottom on your screen.
5. Select *set up series of recordings* by pressing OK on your remote.
6. Select *New* to only record new episodes of this series, to avoid duplicates.
7. Select OK - record series with these settings.
8. You will now see the red record icon on the title in the guide screen.
